

Licenciatura em Saúde e Bem-Estar Marinho

Bachelor's degree in Marine Health and Welfare

Português

English

Curricular Units - 1st semester	Scientific Area	ECTS
Biostatistics	FS	6
Cellular and Molecular Biology	FS	6
Biochemistry	FS	6
Marine Ecosystems	MS	6
Physiology of Marine Animals	VS	6
Curricular Units - 2nd semester	Scientific Area	ECTS
Marine Biodiversity	MS	6
Bioinformatics	FS	6
Marine and Coastal Botany	MS	6
Applied Genetics	FS	6
Microbiology	FS	6
Curricular Units - 3rd semester	Scientific Area	ECTS
Climate Change	MS	6
Biology of Behaviour	VS	6
Ecotoxicology	MS	6
Histology and Histopathology	VS	6
Immunology	FS	6
Curricular Units - 4th semester	Scientific Area	ECTS
Applied Biotechnology	MS	6
Parasitology of Marine Organisms	VS	6
Pathology in Marine Organisms	VS	6
Integrated Practice I	M	6
Ecosystem Services	MS	6
Curricular Units - 5th semester	Scientific Area	ECTS
Aquaculture	MS	6
Biosafety and Animal Welfare	VS	6
Sustainable Marine Resources	MS	6
Applied Pharmacology	FS	6
Applied Nutrition	MS	6
Curricular Units - 6th semester	Scientific Area	ECTS
Maritime Law and Policy	MS	6
Integrated Practice II	M	6
Food safety and quality	VS	6
Sustainability and Circular Economy	MS	6
Diagnostic Techniques in Marine Organisms	VS	6
